

Staff Profile: Daniela Mure

Daniela is a 10 year member of the Tax team at Morrows and was recently named the first Annual Morrows Vision Award winner. We sat down to learn more about Daniela.

What brought you to Morrows, and what were your first impressions? I started at Morrows at 19 years of age on a Traineeship. My first impression of Morrows was that it had a friendly environment and was a place where I had opportunity to receive great training and skills in the accounting industry. This led me to complete my Diploma in Accounting.

What is your background and what do you enjoy about your work? I work as a Client Service Coordinator for the Morrows Group. I've worked in both the Operations team and Business Advisory teams and had exposure to many facets of the business. I really enjoy working as part of a friendly team and enjoy the family environment here at Morrows.

What is your greatest strength? My greatest professional strengths would have to be organisation and the ability to learn quickly. On a personal note, I believe one of my greatest strengths is loyalty.

Is there anyone or anything you use as a source of inspiration? Painting is one of my sources of inspiration. I enjoy coming up with new ideas and emphasising these ideas in different styles and/or mediums.

Do you have a favourite quote? "The best thing about the future is that it comes one day at a time."- Abraham Lincoln

Favourite book, movie or play? The Four Agreements by Don Miguel Ruiz.

Daniela works as a Client Services Coordinator for the Morrows Tax team and is the recent recipient of the Annual Morrows Vision Award for consistency in high performance across the Morrows Group.
